attending with your child. Our teachers, staff and school will be prayed for by Pastor Kaye, and it is always wonderful to worship together as a family. Students should be in their chapel uniforms for this service. (including ties and tucked in shirts) There are still about nine more spots for people who wish to earn service hours for this event by purchasing donuts or helping with set up, serving or clean up. Water has already been covered. This is an easy way to get some parent hours out of the way.

## OTHER ITEMS TO NOTE:

HELLO KITCHEN and Ms. Amy wants to remind everyone that if your child needs to borrow lunch, the cost is \$6.00. She will bill you for the lunch, however, please be considerate and repay this promptly. Also, if you are interested in giving your opinion about her "Dinner to Go" program, please fill out a survey in the school office.

-UNIFORMS If you need to purchase uniforms, you may fill out an order form in the school office and she will fill an order. If you need to come in person, please let Ms. Miriam know the day prior so that she can plan accordingly. Jackets came in on Friday, so those who ordered already will receive them later this week..

-PARKING LOT REMINDERS: Remember to enter either through the Almanson entrance to park and walk your child to class, or use the Los Higos entrance to do student drop-off. If doing drop-off (closest to the buildings), please remember this is a drop and go situation. Your student should be prepared to get out the car and get his or her back quickly so that you are not holding traffic. Thank you for remembering to DRIVE SLOWLY at ALL TIMES!

WE WANT TO GO PAPERLESS: There are some people who did not give us an email address on the emergency form, therefore are not receiving the emails. We would like to stop sending a hard copy of this publication to every family by the end of September. Please help us save costs by ensuring that you are receiving email communication from the school, now via Gradelink. If you are not receiving the email, please let Mrs. Hittinger know at [khittinger@emmausalhambra.org](mailto:khittinger@emmausalhambra.org), or contact the school office with updated information.

First Quarter Chapel Offerings will be going to help with earthquake damage for two local schools—Grace Lutheran Church and School and Gateway Elementary School, both in Ridgecrest, California As a result of the

July 4th earthquakes, there has been water damage due to flooding from broken pipes, damaged classrooms, furniture and supplies ruined, etc. This area is still having regular aftershocks, so along with offerings, prayers for students to feel safe and repairs to be made are appreciated. Thank you in advance for helping your child bring offering to chapel each Wednesday.

NWEA Testing will begin next week, and will go on for the next three weeks. This is just one hour or so per week per grade level. Results will be distributed at the first quarter parent-teacher conferences. There is nothing to study for to prepare for this test, but as is the regular practice, please make sure your child arrives on time, has had breakfast and has had a good night's sleep.
