*Teacher: Mrs. Garcia*

**Writing Workshop:** Lower division will be reviewing phonics and grammar through fun writing projects. Upper division will be working through the five-paragraph essay and good writing format and skills. Some homework/out of class work assigned.  
*Teachers: Mrs. Reyes (lower division) & Mrs. Mitcham (upper division).*

**Science:** Hands-on demonstrations and fun "at home" experiments with explanations will be part of the science experience. Some homework/ out of class work assigned.  
*Teacher: Mrs. Garcia*

**Liberal Arts:** A combination of art, music, movement and fun activities that will help creativity levels soar!  
*Teachers: Mrs. Reyes (lower division) & Mrs. Mitcham (upper division).*

## Here's How it Works!

1. Virtual "Zoom" classes will be held Monday through Thursday, at the scheduled times listed above) beginning June 1 and ending on June 25.

2. Classes may be signed up for individually. Each class is \$100 for the four-week period. A one-time registration fee of \$15 will be charged.

3. A **MINIMUM of 10 students for each individual class must be signed up by next Friday, May 29, 2020 for a class to begin. No late sign-ups will be accepted unless the class has met the minimum. You will receive confirmation on Saturday, May 30, 2020, stating whether the class will be held. No more than 20 students will be allowed in one class. Students may be enrolled in more than one grade-level appropriate class.**

4. **Registration fee and payment in full** will be due by Tuesday, June 2. You may use this form to register and submit to the financial office along with payment, or you may complete the online application and then drop off a payment to the financial office. There is no refund for missed or dropped classes. There are no make-up classes, however, you may reach out to the teacher to get missed assignments.

5. Classes will not be graded but work that is assigned is expected to be completed and will be reviewed by the teacher.

6. Students will be expected to have adequate technology, including device and internet service, for the classes.
